Toy models

Would you like to come see some toys?

‘Toys’ here have a special sense: objects of daily life which we can find or make in minutes, yet which, if played with imaginatively, reveal surprising phenomena that keep physicists puzzling for a while. We will see table-top demos of many such toys and visit some of the science that they open up. A common theme that emerges is *singularity*.

Tuesday 22 November 2016 at 4.00 P.M.

COFFEE AND TEA WILL BE SERVED AT 3.45 P.M. IN FRONT OF THE SOLVAY ROOM

SOLVAY ROOM

UNIVERSITÉ LIBRE DE BRUXELLES
